Our Story

The pub opened in 2019 with the simple mission of providing a high level of service and quality in the city, in a more casual, comfortable pub environment.  
  
comfort food. Due to popular demand to bring our unique brand of British/Quebecois hospitality to outside events, we started our catering wing, Royal British Hospitality Catering (RBHC) in 2016. And we're extremely excited about our newest venture in old Montreal, Pub Wolf & Workman.
